

ARTWORK CARD 1970's SCENIC GRANDEUR OF THE WEST

NOTE:

These are art cards from a Frisco Railroad event back in the 70's where my dad worked. Frisco Railroad is no longer around. These art cards are available inworld. I split the portraits and landscapes up. The landscapes are in one framed and canvas, and the portraits are in another.

- Framed artwork is Transfer only permission.
- Canvas artwork on mesh with either modify and copy permissions.
- Canvas artwork on mesh with modify and transfer permissions.
- Canvas artwork on prim with modify and copy.
- Canvas artwork on prim with modify and transfer permissions.

The framed portrait work is sold separately from the landscape ones. All the images for that item are in the item. The canvas versions are sold the same way. The frame is a mesh frame and the canvas is a prim with a 2 LI. The canvas versions come in mesh and prim with modify so you can link a frame. There is a "Test Frames" that is free to test which kind works for your frame.

The frames have 22 textures with a menu script and a resize script. You can get the demos from the marketplace, or you can view these pieces at TCGWS (Thunderchild Gallery Workshop) in Milda. There is a Holovendor in the Art Shop.

FEATURES

- FREE Test kit "o-Canvas Tests" for work with your frames.
