## Artwork Another World

### NOTE:

Artwork is available as a canvas or as framed artwork. There is a prim and Mesh canvas available. The permissions on the items are as follows.

- Framed artwork is Transfer only permission.
- Canvas artwork on mesh with modify and copy permissions.
- Canvas artwork on mesh with modify and transfer permissions.
- Canvas artwork on prim with modify and copy permissions.
- Canvas artwork on prim with modify and transfer permissions.

The textures and scripts are contained inside the objects. The modify permissions on the canvas will allow you to link it to a mesh or sculpted frame.

You can view artwork at TCGWS (Thunderchild Gallery Workshop) in Milda along the art walk, shops, or HoloVend areas. All artworks will have either a demo or a HoloVend version to view. Art texture packages have a demo too. Some of the demos are HUDs that show the textures.

All the items are sold separately and in groups. The purchase may come with an information HUD that provides links to this current document, TOS and to SL's marketplace and real-life goods at online storefronts.
