All full permissions. These are from the public domain, mostly Wikipedia. They've been trimmed, resized, put in common formatted, uploaded and packaged. That's my work on them and that is what the prices applies to. The Whiskey Rebellion flag is an extra. It was hand drawn and part of a logo. I digitally flatten it out some and stuck it in too.

Please do not resale these textures and patterns by themselves in Second Life. Do not sell them on other Vrs without permission. Do not use them in RL products. Contact me in SL for any other SL or RL use. In SL, they must be part of a build and not as Full Permissions. (Full Perm). UNPACKING CASPERVEND

CasperVend items come in a box and will probably show up in your Objects Folder. You'll need to rez the box and open it to copy to your inventory. Since there are no copy permissions, you'll get a message that they have to move to inventory. There is a Sandbox on the Milda shops.

UNPACKING SL MARKETPLACE

Marketplace purchases most likely will not be boxed and can be viewed in the contents tab on the product page. Those items will go to your Received Items Folder in your Inventory. Items with no copy permissions, will move in and out of inventory as you rez them and take them back.

INFORMATION

These mesh boxes can be viewed in-world at the main site in Milda. A CasperVendor is set up to sell one raw bomb for L\$1. There is also a quantity vendor for multiple purchases.

AVAILABILITY

These products are only available in Second Life (SL).
