# PUNKY ROOSTER DESIGNS AND TEXTURES

A Colorful rooster has a spiked Mohawk style Comb, a pierced beak with a chain leading to a large safety-pen through his wing and dangles a rabbit's foot. He's wearing tall linemen style boots with extra sharp spurs added. The Sandia Mountains of New Mexico, USA are in the background. The URL and station name are on the ground behind Punky.

UNPACKING CASPERVEND

CasperVend items come in a box and will probably show up in your Objects Folder. You'll need to rez the box and open it to copy to your inventory. Since there are no copy permissions, you'll get a message that they have to move to inventory. There is a Sandbox on the Milda shops.

UNPACKING SL MARKETPLACE

Markerplace purchases most likely will not be boxed and can be viewed in the contents tab on the product page. Those items will go to your Received Items Folder in your Inventory. Items with no copy permissions, will move in and out of inventory as you rez them and take them back.
