

## NOTE:

THESE ARE TRANSFER ONLY PERMISSION DRINKS IN A CAN.

The can is transfer only. It can be obtained by anyone and passed around. Single cans come unpackaged and ready to use. The collection set comes in a decorative crate. Each can is pre-textured and contains the script and animation.

The default rotations for the can are (x:358.85001, y:73.95001, z:190.09999). Depending on the label design, you'll probably want to adjust the rotations for your desires.

The can is a Mesh creation with its top images (open and closed) by Jenny Collazo. The script is by Blu Heron and provided by Jenny.
