## ADDITIONAL INFORMATION

### HUD KIT ITEMS

This kit contains demo HUDs and women's clothing to view for assistance in deciding what HUDs and textures to use for your custom set.

Wearing the clothing effects your complexity and not the local land impact (LI). However, 1 demo clothing in the kit is not selected to fit your avatar.

You will need to rez the clothing item to work with and attach the HUD. Mesh Clothing can have a wide range of LIs. This is the demo's LIs

- kit-ovrsztsht-wc1-Belleza-Isis, LI = 117

You can wear these items to see how much they increase your complexity. The single digit LIs increase around 2K, while the 117 Li increase around 12K.

#### There are blanket texture HUDs that have textures that can be applied to clothing. There will be several blanket texture HUDs available. There are individual "Tint & Color" HUDs that have all the tinting and color controls. This HUD allows the clothing texture HUDs to have just the clothing textures and minimal controls. kit-drsCami.lain Legacy, LI = 2 kit-frydrss.wcl-Model\_XSmall, LI = 10 kit-Body Suit-Legacy, LI = 7 kit-bong Robe-Legacy, LI = 8 kit-polotop.wcl-Maitreya, LI = 13 kit-vstmini.wcl-fitmesh-Model-M, LI = 20 kit-asymtp wc382-Maitreya, LI = 9 kit-uncleOdrs.null-Legacy, LI = 7 kit-ovrsztht-wcl-Relleza-kis; LI = 117 15 C Blankets 2 13 14 8 8 HUD-asymtop.wc382-Tint
