FEATURES

- ONE CRATE WITH THREE ATOMICS
- Bombs are Transfer only.
- Explodes on Touch.
- Promo T-Shirt & Polo Top

This is a single Crate of Atomic Bombs from the product "Pallet of Atomics." The bombs can be rezzed for handling or detonation. Always right-click on a bomb to handle it with the tool's menu. The default touch will explode them. They explode on touch and the bomb is destroyed in the process.

Clothing is copy and modify.

All explosives are transfer only. You can give or resell the bombs. These products are not available for re-delivery.

Refer to the Second Life Terms of Service <https://www.lindenlab.com/legal/second-life-terms-and-conditions>

UNPACKING CASPERVEND

CasperVend items come in a box and will probably show up in your Objects Folder. You'll need to rez the box and open it to copy to your inventory. Since there are no copy permissions, you'll get a message that they have to move to inventory. There is a Sandbox on the Milda shops.

UNPACKING SL MARKETPLACE

Marketplace purchases most likely will not be boxed and can be viewed in the contents tab on the product page. Those items will go to your Received Items Folder in your Inventory. Items with no copy permissions, will move in and out of inventory as you rez them and take them back.

INFORMATION

These mesh boxes can be viewed in-world at the main site in Milda. A CasperVendor is set up to sell one raw bomb for L\$1. There is also a quantity vendor for multiple purchases.

AVAILABILITY

These products are only available in Second Life (SL).
