

Domino Bone Textures Playing Bones & Game Boards

NOTE:

This document covers the home use Copy Only (CO) and Modify Only (MO) products for end users. This Product comes package as end user products as ready to play tables or home build kits. Textures include cuts from artwork for skull pips, fractal, and wood patterns for general textures.

Textures are available as individual pip sets, matched pips for bones up to double 18s for most sets and double 15s for all sets. Pips are available as transparent sets and with background textures with matched sides and backs. These can be bought individually at AJ's Texture Gallery (AJTG) or as packaged sets from vendors inworld or on the SL Marketplace.

A dominoes demo is available with oversized bones and a HUD to sample textures. Not all textures are available with the demo. All demo models are available for use at AJTG or home use. Outside of AJTG, all demos have a limited lifespan. More textures can be viewed at AJTG.

A builder's kit is available for homebuilders to create their own table and bones. It includes two building tables (one double 15's and one double 18s) and a home Build Dealer Table for using your bones in a game. The builder's kit allows you to build dominoes for personal use. Items are copy only or modify only.

Prepackaged sets of copy only bones in double 15s are available for purchase and use with the Home Builders Kit.

Two-person game Dominoes Dealer Tables with Bones are available ready to play. An instruction booklet on the table and game use is included with the table. A table is set up for public use in the board game room at Bear of Boogie Land in Triasm and on the Beverage Deck at Thunderchild Gallery Workshop (TCGWS) in Milda.

All products come with a HUD. Full permission textures come with a HUD for downloading the texture set in a single zip file from Google Drive. The HUD provides a link to the product's documentation and shop's Terms of Sale (TOS) online at <https://thunderchild.net>.

There is a HUD with links to this current document, TOS and to AJ's storefronts at RedBubble.com and Society6.com as well as links to RL products.
