INFORMATION

A silhouette of the Head filled with spider webs and spiders. Each spider and web are hand drawn and then digitized. The head silhouette is used to layout the webs and spiders separately for each group of heads (current listing: Bison, Bull, Deer, Dog, Elephant, Elk, Goat, Horse, LongHorn, Markhor, Moose, Ram).

Each group has a set of backgrounds, generally a transparent, black and gray. One or more repeating pattern layouts are available. The full selections of available textures are in-world at the Milda Region location. Set-1 contains the repeating pattern with a single head in the middle and quarters in each corner.

The transparent images are best for materials that you can change the background color independently on. These are used in their full size for RL clothing at RedBubble.com, Society6.com and other sites.
