

BLANKET TEXTURE PACKS GENERAL INFORMATION

NOTE:

The textures were uploaded as PNG files at 1024x1024 pixels. This is the format available with the FP download HUD. Textures are also available individually at AJ's Texture Gallery in Milda.

Blanket texture packages are grouped selection of textures from the shop. The set may be from the same series of textures or a sampling across multiple textures. Some HUDs will have icons with links to real life online textiles and fabrics with the same textures.

There are demo HUDs for textures. The HUD comes unpackaged and ready to use. The HUD label has a notecard list of the textures. The thumb tack gives a landmark to the texture gallery. The PDF icon opens a link to the online PDF for the product.

The full permissions texture package comes in a decorative labeled mesh crate. The crate contains the textures and a download HUD. The label has a menu for its textures. The download HUD provides the link to the Zip file at a Google Drive share. The download HUD has a link to Terms of Sales in PDF format.
