

## Framed Artwork, 1970's Art Cards, Scenic Grandeur of the West

### NOTE:

These are from my memorabilia collection from the 1970's. Dad had a month's vacation every year and we would load up and toured the country. I collected a lot of stuff and have brought it in-world to share. These are the images along with frames and frame textures.

The images are contained in the objects and can be changed by touching the artwork. The frame textures and resize menu are activated by touching the frame.

The framed images permissions are Transfer only.
