

HUD Controlled Men's Trunks & Bulge(s) Fractal 1st Burn (set 2)

These are two items, mesh Trunks and Sculpted Bulges.

The Mesh trunks and alpha are Raoh- Aoyrn Trunks from Raoh Designs and the sculpted bulges are two different sets from Kilamanjaro. The Demo HUD contains two sets of textures. The items have a life span of 10 minutes for texting fit and adjustments.

The fractal desgins are from RL wood burns I've done and then edited for the textures. You can find these designs in SL and RL at various outlets.

The items can be seen at the Milda locaions.

Face texture areas are Legs & Ass, Waist & Leg Bands, Crotch and Bulges.

I find I didn't need the alpha with my Slink body. If you don't have a suitable alpha and need one made, let me know. The bulges or pouches are 3rd party sculpted maps and are not rigged. Attach them to the pelvis or other part, then edit them. Once it is attached to your pelvis, it will be inside you. From the inventory, right click and select edit. Move and rotate it as necessary. The tag is in the back. This will become the default attachment and position for it with the HUD. There is a limit to how small they will go.

The two open pouches are for displaying an erection through the front opening. I did not include a penis, since I figured you'd have your own or a suitable codpiece.
