## INFO LINKS HUD FOR REAL LIFE PATCH & T-SHIRT MAKERS

### NOTE:

This is for matching products between Second Life and Real Life.

This HUD has links for products outside of Second Life and the Second Life Marketplace. The links are to manufacturers of patches and T-Shirts with matching logo, textures, and designs for the TCGWS products in Second Life.

This HUD comes as a second item when purchasing prepackaged full permission (FP) textures from vendors at AJTG (AJ's Texture Gallery) inworld. It is also sold separately on inworld vendors and the SL Marketplace.

There are 7 patch makers on the HUD that I am sampling products from using the inworld textures. Purchase any FP texture to download the texture to your hard drive and then send it to a patch maker for your real-life patch.

The three storefronts for t-shirts provide various products other than t-shirts. You can find matching products and designs between Second Life and the real world. Feel free to request custom designs or textures for both SL and RL.
