

MOONSHADOW & TCGWS GREETER

Please attend to the following FYI and duties while being the Moonshadow Greeter.

The Moonshadow Greeter is in the office with the CCTV and Intercom. The CCTV gives viewing access to fishing buoys, shipping and receiving areas and some coin locations. The Greeter can also use their local radar on their browser to track Agents (avatars). There may be a 3D agent radar next to the office building.

The office is near the south front gate for West Park. The Greeters main area of function is the Westpark and Moonshadow area. The CCTV and Intercom allow this position to function for all the buoy areas, any GTFO or GridHaul traffic and for LGH.

- Greet people using Voice, Nearby Chat or IM.
- When necessary, remind people to be polite and that there are posted rules on the browsers next to the voting stations.

- NUDITY IS ALLOWED. Public Sex is not. Some of the seating has adult animations from cuddling to more private activities. There are rooms on the space station for rent, short and long term.
- There are LGH coins and gems that may appear around various areas. There are no coins or gems in the West Park Area from lowest level up to 150 Meters.
- People can fish and gold hunt at the same time, and work a job, etc. Everyone should mind the rules. Warning is a courtesy.
- If anyone needs to be ejected or banned, contact any of the staff online or leave me a notecard in AJ's status board. Should you need more help, Vetted Security positions will be available with parcel privileges to enforce ejection.
- The Moonshadow Transportation area is a public rez zone. Portal over or walk. Anyone needing to rez and get goods out can do it there.
- Anyone can drop a notecard into AJ's On Line/Off Line board. All staff members have a status board near their main areas.
