SITES AND WEB PAGE

April 20, 2021 marked the one year anniversary for our project. The Thunderchild Gallery Workshop (TCGWS) consists of five sites, three main sites and two remote parking lots. The Project website is at <http://sl.thunderchild.net>. It will have links to the most current documents in PDF format. In-World, you can get updates at the Info Hubs.

Area of Use

- The Decks and Patio areas are for use. The sidewalk areas should be kept clear.
- If you are interested in setting up displays or vendors in other areas of the main site or any other of the sites, let me know and we can see about arrangements.
- If you need a separate sandbox for making goods, Builders' Lot is our general sandbox. A sky sandbox with security can be made available for your use.
- The Milda region is the main site for the Thunderchild Gallery Workshop. Landing point is <http://maps.secondlife.com/secondlife/Milda/157/165/48>.

TENANT AND ON-SITE BEHAVIOR

This is a moderate area, keep adult activities inside your loft or house. No grieving, bashing or hateful activities allowed. People will get one warning before being banned. Everyone is considered a responsible adult and treated as such regardless of your avatar form. Flying and voice is allowed for everyone and between sections and other parcels.
