ASTEROID BASE

The station consists of a single asteroid with an internal small base. The bay opening is on the east side of the rock. It will berth two small spaceships or jets. Other larger ships can land on the ground platform and teleport up.

NOTE: THERE IS A HEIGHT RESTRICTION.

Avatars need to be 6 foot or under to fit through the doorways.

The internal structure consists of the following.

- Hanger bay for two small ships. Location for ground-to-surface teleporter and rental box.
- Public facilities
- Medical bay
- Crew quarters for four
- Captain's Office
- Captain's quarters with a double bed.

Lodging

Overnight stays for one to two nights are fine. The rental box is available for reserving the station for one or more weeks. The entire station can be rented for short- or long-term periods. Contact AJ for information.

The Station Manager's Office.

Iris Herouin is the Station Manager, and her Office is located at the Space Station Thunderchild in Milda. There is a status message board there. Information on grid tours, GridHound, TramTrack and other services can be obtained at the Passenger Service Office for Iris Virtual Enterprises.

TENANT AND ON-SITE BEHAVIOR

This is a moderate area. Public nudity is generally acceptable but keep adult activities inside your Personal Space. No grieving, bashing or hateful activities allowed. People will get one warning before being banned. Everyone is considered a responsible adult and treated as such regardless of your avatar form. Flying and voice is allowed for everyone although game spots may have restrictions via Security Orb. Please manage your voice controls and language accordingly.

ALL THINGS NOT ADDRESSED

If in doubt or you have a question, talk or chat with the any of our staff.
