# SPACE STATION MOON MOORINGS FOR SPACESHIPS

## NOTE:

The SS Moon of Moonshadow Logistics has moorings and moored ships for rent between the elevation's of 2000 meters and 2810 meters. Non-flight ships are moored at these locations and available for rent. Different ships are at each location and can be reached from the SS Moon's Gantry.

Locations can also be rented without the ships and used to moor your ship. Cost and Land impact amounts are flexible to suit your needs.

All residential rentals come with the following extras spread between all five regions (Malyshkin, Milda, Muhongo, Triasm, and Vyacheslav. These include the following.

### EXTRA LI FOR VEHICLE

Ground vehicle parking or personal spaceship docking of 75 extra LI.

### VEHICLES ON SITE

There are rezzable vehicles for both ground, air, space and dirt on the parking lots, and space station platforms.

### SANDBOX

Use the sandbox for short or long-term projects so your residential LI's are not impacted.

### PERSONAL VENDOR OR USE SPACE

A space of 10 to 20 LI is provided for you to set up a vendor or two, a bulletin board for your group, or a display of some sort.

A more detailed list of extras and bonuses are provided on site.

## FEATURES

- Small to large ship accommodations.
- Extras include free vehicle parking, vending space, and sandbox use.
- An awesome rental discount and bonus program.
- Art Cards from Frisco Railroad in 1970.

## TOS

A complete listing of my TOS in PDF can be found at <https://thunderchild.net/SL/doc/TCGWS-TOS.pdf>. For other TOS, refer to the Second Life Terms of Service <https://www.lindenlab.com/legal/second-life-terms-and-conditions>.

All the world is a stage, all of life is a classroom, all of SL is a sandbox. May have to scoop some kitty poop, but it's still a neat sandbox.

## PRODUCT INFO DISPLAY HUD

Information HUDs are provided to display images for each mooring. They have the following landmarks.

- SS Moon Gantry. TP pads to ships, image displays, and product vendors are located here.
- SSTC Office. Space Station Thunderchild is the Command for the Space Port Authority (SPA) for all sites.
- TCGWS Office. Thunderchild Gallery Workshop has the administrative office for all operations.

Use the HUD to preview images of the sites. Visit and tour the facilities from ground on up.

The homepage is <https://thunderchild.net>.
