Smoke Texture Two Blue

Smoked Texture in blue and gray shades.

Description (150 max)

Digitized images of burnt and smoked stained materials are used to create this texture.

Additional Detail

Various materials are burned or exposed to heave smoke to get burnt and smoked images. The textures are digitized and edited to create masks, templates, and overlays. Textures are then colorized and then blended for the final image.

Texture is a PNG file at 4096 X 4096 pixels.
