## **DRAFTING**

### **MILDA RESIDENT**

#### ***Condo 1, Home is where the Stars & hot tube awaits.***

This is the resident and personal gallery space for AJ Leibengeist (Thunderchild Allen). It is a Prim & Mesh object build. In-world Blender classes will help make this building, and others, a total mesh object. The house and site is designed as a refurbished large telescope observatory site. There is a working telescope on the house that connects to a RL observatory database.
