

FRAMED SKULLS COLLECTION

NOTE:

These products are by AJ Leibengeist at the Thunderchild Gallery & Workshop (TCGWS). There are five framed skulls. Framed products are transfer only permissions. The mesh frame is by SKIFIJA and it contains textures and scripts. The canvas is a prim with its textures and scripts inside.

Framed products have transfer only permission.

Textures are sold separately with full permission at AJ's Textures Gallery (AJTG). Some are packaged in groups along with a download HUD for FP textures.

This artwork has a demo version available. They also have a HoloVend version at the Art Shop.

FEATURES

- Canvas and frame contain textures and scripts.
- 2 LI.
- Textures are available as full permission.
- Viewable at AJTG and TCGWS in Milda
- Many are matched on real life products at quality online storefronts.

TOS

My general TOS are online and have a link on information and product HUDs. A complete listing of my TOS in PDF can be found at <http://sl.thunderchild.net/doc/TCGWS-TOS.pdf>. For all other matters, refer to the Second Life Terms of Service <https://www.lindenlab.com/legal/second-life-terms-and-conditions>.

UNPACKING CASPERVEND

Packages with multiple items will be in a decorative crate. The crate has a label on one side. The label changes on touch and has the product label, a blank, and any information that applies. The crate is Copy Only, even with FP textures. Single items are uncreated and ready to use.

CasperVend items will show up in your Objects Folder. You'll need to rez the box and open it to copy to your inventory or rez to ground. The same type of item is also delivered by SL Marketplace, and it will go to your Received Items Folder in your Inventory.
