

RUGS, LARGE SISAL SET OF 3, PUNKY ROOSTER SERIES

NOTE:

THE PERMISSIONS FOR THE RUGS ARE COPY ONLY.

There are three rugs with ten (10) textures each with matching color schemes. One rug has a single rooster in the center of the rug texture. One rug has a small collection of roosters around a center larger rooster. One rug has just no roosters on the rug designs.

Full permission textures are available separately at AJ's Textures Gallery.

A Colorful rooster has a spiked Mohawk style Comb, a pierced beak with a chain leading to a large safety-pen through his wing and dangles a rabbit's foot. He's wearing tall linemen style boots with extra sharp spurs added.

There are fifteen basic rug color schemes, Black, Brown, Burgundy, Burnt Orange, Deep Purple, Forrest Green, Grass Green, Gray Blue, Hunter Green, Lite Fuchsia, Lite Gray, Mauve, Prime Blue, Red Orange, and Violet. For each color there is a pattern with no rooster, one with a single rooster and one with multiple roosters.

Touch the front of the rug to get the texture menu. There is a label on the back of the rug. Not all rugs have a back face for textures, so the label may be the only thing visible on the back. Touch the label to get the size menu.

Textures are from inventory texture collections and artwork. Punky Rooster is the mascot for the online radio station KOCK.rocks BiPolar Radio at <http://kock.rocks>.

UNPACKING

CasperVend items come in a Mesh Crate and will probably show up in your Objects Folder. You'll need to rez or wear the delivery crate for it to open and copy to your inventory. The same crate is delivered by the SL Marketplace. It will go to your Received Items Folder. The front label on the crate has a menu to select the label, a blank, the TCGWS logo, and any information images for the product. The crate will open a menu to unpack when it is rezzed. After unpacking, it will offer to delete or cancel. Keep a copy of the create so you can always get the textures if you need them.
