ARTWORK TEXTURES UNION SUNS AND MOONS SPIRITS TEXTURE SET V2 Copy Only

NOTE:

End goods artwork and other textures come in copy only or transfer only permissions. Demos of texture packs are available and have a limited life span. The list of textures is at the end of this document. Textures can be seen at AJ's Texture Gallery or with demo displays.

Textures are applied to objects in two ways.

- Drag and drop from inventory onto an object's face or in the texture window of the edit tool.
- Using the edit tool's texture tab to enter the UUID of the texture onto the face or faces of an object. The texture is stored in a server, like CasperVend, freeing up inventory space.

FEATURES

- Collection of Copy Only permission textures.
- Available for redelivery.
- Demo HUD available.

TOS

My general TOS comes with this product. A complete listing of my TOS in PDF can be found at <https://thunderchild.net/SL/doc/TCGWS-TOS.pdf>. For other TOS, refer to the Second Life Terms of Service <https://www.lindenlab.com/legal/second-life-terms-and-conditions>.

UNPACKING CASPERVEND

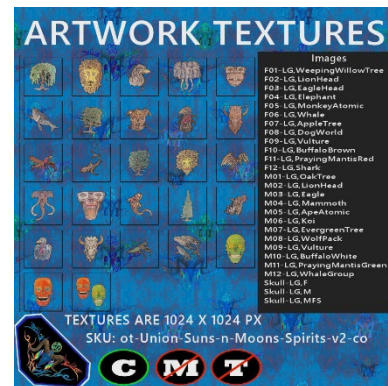

Texture sets come in a crate from Casper Venders and SL Marketplace. Crated items have a label on one side. The label changes on touch and has the product label, a blank, and any information that applies. The crate is Copy Only, even with FP textures. CasperVend items will show up in your Objects Folder. SL Marketplace will go to your Received Items Folder.
