UNPACKING CASPERVEND

CasperVend items come in a box and will probably show up in your Objects Folder. You'll need to rez the box and open it to copy to your inventory. Since there are no copy permissions, you'll get a message that they have moved to inventory. The Dressing rooms are rez areas where you can open and try your demo or product. You can find these on the Teleport pads with the Body Model locations. Dress Blue and Dress Pink are for public use.
