PUNKY ROOSTER ALPHAS

NOTE:

These textures come as full permission or as copy only permissions sets. Demos are either a framed canvas that scrolls through textures on touch, or a HUD that functions the same way.

Copy Only textures are for personal and at low costs. FP textures come with a TOS. They are for makers, buildings, and other creative DIY'ers.

Punky Rooster is the mascot for the online music stream at URL http://kock.rocks BiPolar Radio.

A Colorful rooster has a spiked Mohawk style Comb, a pierced beak with a chain leading to a large safety-pen through his wing and dangles a rabbit's foot. He's wearing tall linemen style boots with extra sharp spurs added. The Sandia Mountains of New Mexico, USA are in the background. The URL and station name are on the ground behind Punky.

The SL Marketplace and inworld vendors have a prepackaged collection. The inworld package vendors and Texture Vendors will have discounts available. Texture vendors will sell one or it's collection at a discount.
