

SMOKE TEXTURES COLLECTION VERSION 1, UPDATE 202210

NOTE:

These textures come as full permission or as copy only permissions sets. Demos are either a framed canvas that scrolls through textures on touch, or a HUD that functions the same way.

Copy Only textures are for personal and at low costs. FP textures come with a TOS. They are for makers, buildings, and other creative DIY'ers.

This set has 33 textures.

Smoked images are from burned paper scans and pfy2otos of heavy smoke against solid backgrounds. Images are photographed digitally or scanned at high resolution. They are then edited for repeating textures and color schemes. The smoke as awesome, as you can see by the texture results.

FEATURES
