

Uncle O. Dress

This is a mesh dress from a 3rd party. Textures for this dress are created by AJ Leibengeist at the Thunderchild Gallery Workshop (TCGWS) in Milda.

A single mesh objects with four faces: side panel, body, ladders and trim.

These are covered by three textures.

- One for the man body.
- One for the panel
- One for the ladder and trim.

This dress package is just the dress. It is packaged for the following.

- Use with the demonstration and HoloVend models.
- Replace a lost one for those that have purchased it before.
- For those that want to buy the dress and select the HUDs separately.

The HoloVend area is in the Milda Region at the main site:
